

CISTUS

ROUGE

Varietal range: Syrah, Mourvèdre, Grenache

The name : The Cistus (latin) is one of our environment's iconic plants. It can be pink or white, it defines the landscape in may

Winemaking: The fruit is picked by hand and undergoes single vineyard fermentation. Sixty percent of the blend is matured in 500 liters barrels, the rest in tanks

Tasting: Complex, velvety wine and black fruit, chocolate and thyme. CISTUS is a powerful wine yet and stays fresh and tense.

Pairings: Duck, red meats and old cheeses.
